

# AIMEC

## (AI MEME ART CHAIN)

# Token & Liquidity Lock Schedule

### Transparency and Commitment to Investors

At AI MEME ART CHAIN-AIMEC, we prioritize transparency and investor trust. To ensure long-term stability and community confidence, we have implemented clear token lock and vesting mechanisms. All AIMEC tokens and liquidity are locked with publicly verifiable details, ensuring that no tokens will be unlocked prematurely.

Our token lock schedule, along with liquidity pool locks, is made available through transparent third-party platforms like Pinksale, offering full visibility to our investors. With clear unlock timelines and locked amounts, we demonstrate our dedication to a sustainable and secure ecosystem for the AI MEME ART CHAIN project. This approach reflects our commitment to fostering long-term growth, supporting the community, and maintaining fairness across the project's development.

**AIMEC (AI Meme Art Chain)** is committed to transparency and security in its decentralized financial journey. As part of this commitment, **AIMEC** has locked a significant portion of its liquidity and tokens through PinkSale's verified lock mechanisms. This document outlines all lock events, durations, and unlock schedules, ensuring public traceability and accountability.
